Internship Completion Letter

This is to certify that Mr. Om Aryan has completed his internship for the Maharashtra Drone Mission project under the supervision of Prof. Ganesh Ramakrishnan at the Department of Computer Science and Engineering, Indian Institute of Technology, Bombay.

The internship duration was approximately 06 months, from December 15, 2024, to May 15, 2025. During this period, Om demonstrated strong critical thinking skills and a deep understanding of Machine Learning.

His work focused on developing a tool to test and deploy machine learning models (Phase 1) where, he focused on designing outline, and ensuring deployment of models. His contributions helped streamline the scalable model testing process. His efforts contributed to our research direction and his association with us was fruitful. We wish him all the best in all his future endeavors.

Regards,

Prof Ganesh Ramakrishnan
